

# Notice of Passage: Panaracer Niseko Gravel 2025 Cycling Event

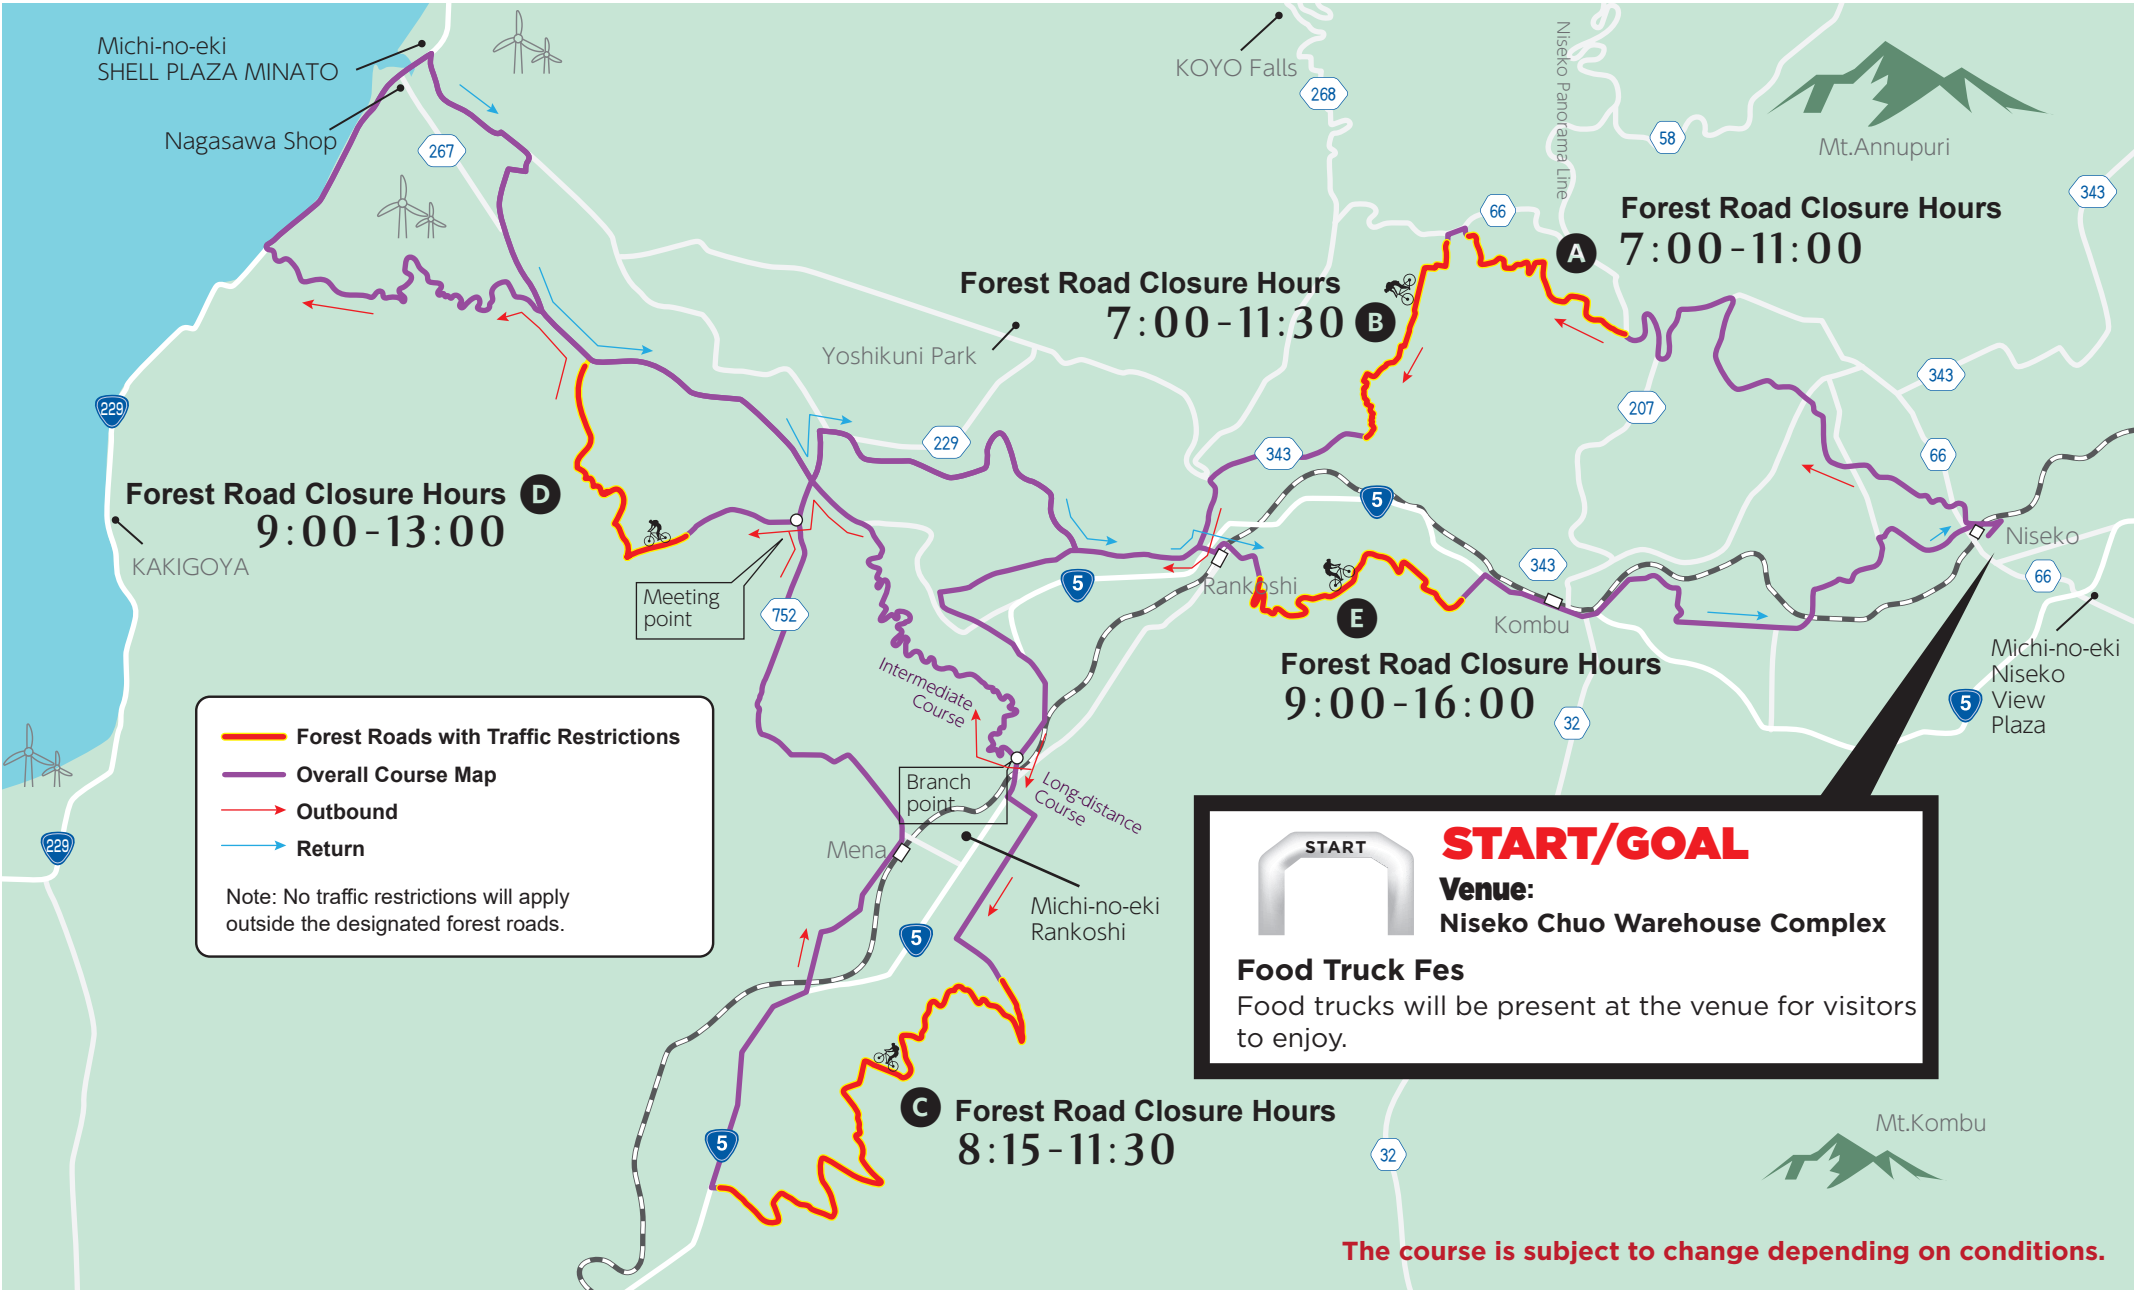

Revised  
Version

**Date: Sunday, September 14, 2025**  
**Time: 7:30 – 16:00**

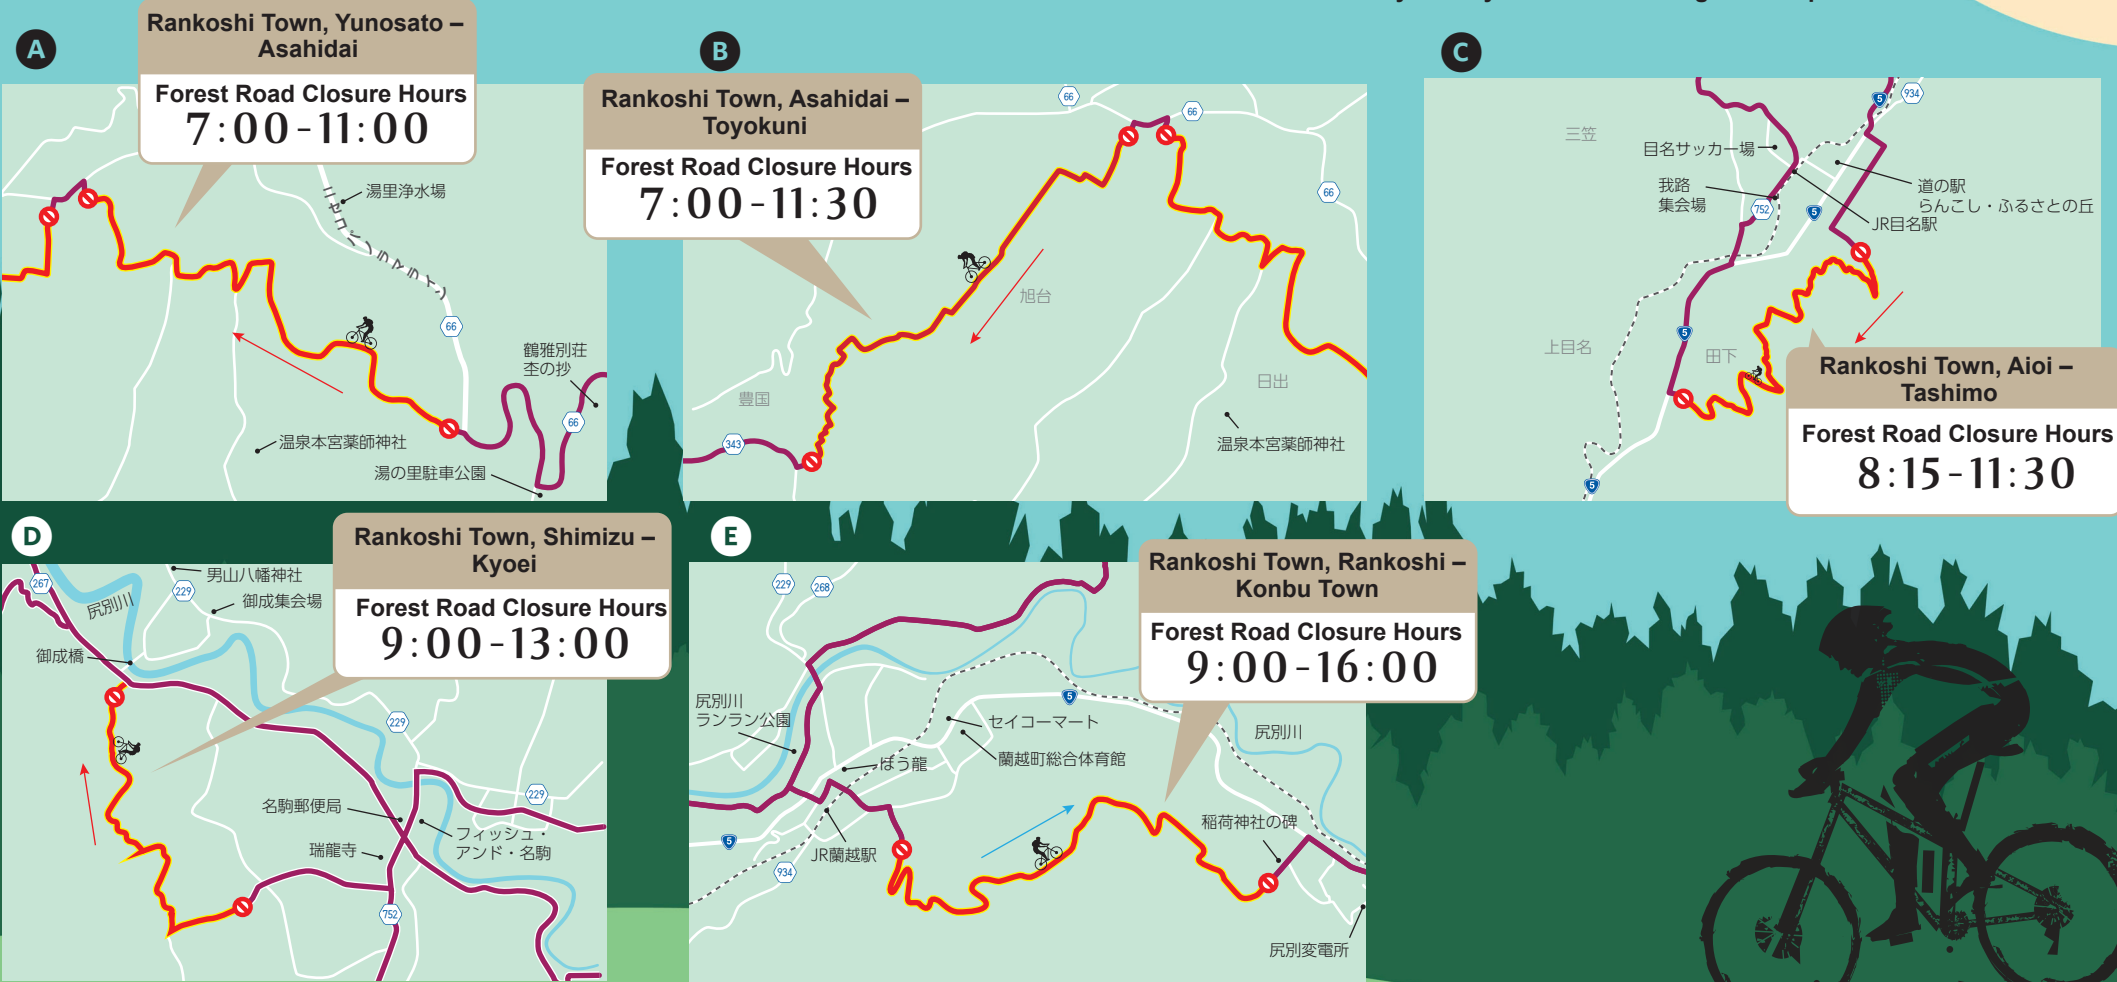

Niseko Gravel is a sightseeing cycling event on gravel and paved roads.  
It is not a race—participants ride at their own pace while following traffic rules and enjoying the scenery.  
Around 600 cyclists with number bibs will pass through the area on September 14, 2025.  
We appreciate your understanding and cooperation.

## Traffic Restrictions on Forest Roads

No traffic restrictions apply to roads other than the forest roads listed below.

On event day, traffic restrictions will be in place on forest road sections (A–E) for participant safety. These sections will reopen once the last rider has passed. Thank you for your understanding and cooperation.
